APD and Solid Waste Services to begin St. Johns area clean-up project

The APD Northeast Area Command District Representatives are beginning a three-month project co-sponsored by the Northeast District Representatives and the Solid Waste Services Code Enforcement Division. On Saturday, February 14, 2009 at 10:00 a.m., the event will kick off at the St. Johns Community Center, 7500 Blessing Avenue. The goal of the project is to improve the appearance and safety of the St. Johns neighborhood.

Partners in this project include city personnel from Animal Control, Solid Waste Services, Watershed Protection and the Austin-Travis County Health Department. Community partners in the project include the Austin Stone Community Church, GSJ Ministries, Grace Fellowship Community Church, St. Johns Neighborhood Association, Austin Tenants Council, Keep Austin Beautiful and community residents.

Media Advisory: The Northeast District Representatives, Northeast Area Commander and a representative from Solid Waste Services will be available for comment on Thursday, February 12, 2009 at 1:00 p.m. at the North Substation, 12425 Lamplight Village Trail. Call Senior Police Officer Roman Lopez at (512) 974-5518 if you plan to attend.
